Payment Policy

It is the policy of Immediate Care to request payment in full at the time of service. Acceptable payments include ATM, cash, check, charge card, or money order. Current insurance is acceptable, and as a courtesy, Immediate Care will bill the insurance company for reimbursement. If payment of the account has not been made by either the patient or the insurance company, within sixty (60) days, the patient is expected to pay the balance in full. Regardless of insurance coverage the patient is expected to pay (at time of service) any copays, unmet deductibles, charges for pharmaceuticals and all charges not covered by the policy.

Quest Diagnostics and Valley Clinical may be used for all outside laboratory services unless prior arrangements have been made.

Except for companies with which we have agreements, our office cannot accept responsibility for collecting your insurance claim or for negotiating a settlement on a disputed claim. Regardless of any claim pending, if there is an open balance, a statement will be sent to you.

Should the account be referred to an attorney or collection agency for collection, the undersigned shall pay accrual of attorney's fees and collection expenses. Your signature indicates that you are aware of Immediate Care's payment policy and gives permission to Immediate Care to bill your insurance, release any information necessary for billing and receive payment directly from the same.

Immediate Care does not accept Medi-Cal or CA Health and Wellness patients. Should you obtain Medi-Cal or CA Health and Wellness as your primary or secondary insurance while being treated at this office, we will no longer be able to accept you as a patient at Immediate Care.

I have read and understood and agree to the above statements.
